

NIGERIAN CONTENT DEVELOPMENT AND MONITORING BOARD

STAKEHOLDERS SUMMIT 2022

15th - 16th March, 2022

Lagos Continental Hotel, Lagos Nigeria

Theme

Towards maximizing potentials in the Midstream and Downstream Oil and Gas sector - a Local Content perspective

Objectives

The Summit with the theme "Towards maximizing potentials in the Mid and downstream Oil and Gas sector - a local content perspective" seeks to engage identified public and private sector decision and policy makers in the Midstream and Downstream sectors of the Nigerian Oil and Gas Industry in order to:

- Create forum for top level dialogue that will articulate an agenda for actualizing the full local content potentials and prospects of the massive investments in the Midstream and Downstream sectors of the Nigerian Oil and Gas industry in order to optimize the expected benefits to the national economy
- Sensitize and enlighten stakeholders about NCDMB's capacity intervention programmes in support of Nigerian Content Development in the Mid and Downstream sectors.
- Address some of the challenges stakeholders encounter in complying with Nigerian Content compliance requirements
- Create opportunities for linkages and promote local investment

Topic will include

- Deepening Nigerian Content Potentials in the Midstream Refining and Petrochemical Value chain - Projected economic impact for Nigeria
- Deepening Nigerian Content Potentials in the Downstream Refining & Petrochemical Value
- Optimizing local content deliverables within the Petroleum Products Marketing & Bunker Fuel Suppliers (Opportunity areas and challenges of investment)
- Nigerian Content Potentials in the Gas value chain of the Midstream/ Downstream sector.
- Optimizing in-country capacity in the Nigerian Lubricant Industry
- Create opportunities for linkages and promote local investment
